# City centre tour

Welcome to Sheffield, one of England's safest cities\* and home to over 52,000 students. This tour is designed to give you a taste of what this exciting and diverse city has to offer, taking you on a circular route that will take about 50 minutes to complete.

Please follow the text in blue for the route and the black for further information.

Set off from the main entrance of City Campus ①.

Walk straight ahead across Hallam Square towards the Stoddart Building.

Turn left onto Arundel Gate and walk alongside the Stoddart Building. Opposite the Stoddart Building, is the construction site for the Conran designed **St Paul's Tower**. This 32-storey accommodation block is set to become Sheffield's tallest structure at 101m.

Cross over at the traffic lights and walk up Union Street (the Roebuck Tavern is on your left and Charles Street car park on your right).

Turn right and enter the **Peace Gardens** ② with its beautiful water features, set against the backdrop of Sheffield's Victorian **Town Hall** ③, a grade 1 listed building made from Derbyshire stone. This area is also used as a trendy place to chill out in one of the many bars and restaurants.

Walk out of the gardens, onto Pinstone Street, cross over the road and turn left at Barclays bank. A short way along this road is the recently refurbished **Barker's Pool** – at its centre is the city's war memorial – to your left is John Lewis, one of Sheffield's most popular department stores. To your right is the **City Hall** ④, built in 1932 and recently refurbished. The City Hall plays host to all the big names in pop, classical music and comedy. Sheffield Hallam graduation ceremonies take place here.

Continue along **Division Street** into the bustling **Devonshire Quarter**. This area is full of bars, restaurants and specialist shops and boutiques. **The Forum** is a popular venue for students and the **Devonshire Green** ⑤ is where a number of festivals and fairs take place each year.

Walk through West One onto **Glossop Road**, and notice the **Spa 1877**, housed in one of Sheffield's major Victorian landmark buildings – the former Glossop Road Baths.

Walk back down West Street, passing several bars popular with students. Turn right at Nandos onto Calver Street and turn left back onto Division Street. Continue towards Fargate, passing the City Hall again on your left. Turn left along Leopold Street towards All Bar One, walk down the side street between All Bar One and The Museum pub, look out for **Orchard Square** ⑥ as you pass.

Turn right into Church Street. Continue walking until you reach **Sheffield's Anglican Cathedral** ⑦ on your left. Dating from the twelfth century this building has Grade 1 listed status. In front of the cathedral is one of the city's main **tram stations** providing transport links to most areas of the city, including **Meadowhall** shopping centre.

Turn right by the HSBC and walk up Fargate a short way to Chapel Walk on your left. Once you exit Chapel Walk turn right and head towards Tudor Square ⑧.

Enter **Tudor Square**, where the **Crucible** and **Lyceum** theatres are situated. The Crucible Theatre is world famous for hosting the snooker world championships each year. Also in that area is Sheffield's striking **Central Library**. On the top floor is the **Graves Art Gallery** containing an outstanding collection of late nineteenth and twentieth century art including works by Picasso and Cézanne.

The large wood-framed structure directly in front of you is the acclaimed **Winter Garden** ⑨, the largest glasshouse in any European city centre and home to almost 2,500 plants. Enter the Winter Gardens and inside, turn left into the **Millennium Galleries** ⑩, where you'll find touring exhibitions, the **Ruskin Gallery**, and Sheffield's impressive metal work collection – plus a splendid café and gift shop.

Exit the Millennium Galleries and cross Arundel Gate to face Hallam Square and Sheffield Hallam University to end your tour.
