Discount towards masters study at Sheffield Hallam University

If you study the summer semester at Sheffield Hallam University you are entitled to a 30 per cent discount if you choose to progress to masters study here with us. Many career orientated and innovative postgraduate courses are available.

Working in the UK after studying

Students who have successfully completed a degree programme can apply to remain in the UK to work for two years after their course has finished to gain work experience. You must apply during the 12 months after you have completed your course. To be able to apply while in the UK, you must have a valid student visa.

This is a great opportunity for you to pursue a career in the UK. If you want to remain in the UK beyond this time, you may be able to switch into an appropriate immigration category to pursue your career, if you meet the relevant requirements.

TARC College

Summer semester programme

Students from Tunku Abdul Rahman College (TAR College) have a long and successful record of excellence in their degree studies at Sheffield Hallam University. The 14 week programme, developed with TAR College has been created around your educational needs.

- you can top up your Advanced Diploma to a UK honours degree in Sheffield
- each course is a continuation from the advanced diploma you are currently studying
- your study at TAR College has been validated by Sheffield Hallam and we have approved an additional programme of modules that lead to a UK degree
- each course we offer is designed to broaden and deepen your knowledge already gained on your advanced diploma
- you can choose to attend your graduation ceremony in the UK in November or Kuala Lumpur in March

Together with TAR College we have created a range of courses that enable you to top up your advanced diploma to a UK degree with honours in Sheffield, UK. Your study at TAR College has been validated and we have approved an additional programme of units that lead to a UK degree.

The courses start in June each year and you study in the UK until September the same year, including examinations.

Sheffield Hallam University

We are one of the largest universities with over 30,000 students including 3,500 international students from 80 countries. As well as our award-winning campus, we have recently invested £30 million into our new Furnival building, facilities and library. Our computer network is the second largest at any British University. We pride ourselves on supporting our students and work with employers and professional bodies to plan and develop our courses.

Supporting international students

Sheffield is a vibrant and friendly city, and one of the country's most in-demand student destinations. Our perspective is international with educational institutions around the world. The University is equipped with specialist support for our international students.

We will do everything we can to help you build your expertise for your career. Whatever your ambition, you will find studying with us a stimulating and memorable experience, and the foundation of a successful and rewarding career.

A fantastic location

The city offers great nightlife, arts and culture. There is a wide range of café bars and restaurants, a large theatre complex, art galleries, museums and outstanding sports facilities. Sheffield is also one of England's greenest cities, being very close to the Peak District National Park. Its central location and excellent transport links make travelling to other parts of the UK and Europe easy.

'Sheffield is a safe city in the UK. I feel secure walking from the student accommodation to Sheffield Hallam University either day or night. I am glad I chose Sheffield Hallam University as my first choice for undergraduate study.'

Employability

At Sheffield Hallam our aim is to help our students develop the skills and knowledge that will enhance their employability throughout their working lives. The courses that we offer aim to give - you industry relevance and will equip you with expert knowledge and skills which you can use in your future career.

Accommodation

We offer you guaranteed accommodation within a modern, purpose-built residence providing furnished single study bedrooms, close to our city campus and nearby amenities. Your accommodation charge will be all inclusive of utility bills and internet access. You will be allocated accommodation upon your application.

All allocated residences enforce a strict non-smoking policy in landlord designated areas, in line with the University's non-smoking policy.

Social activities

There are many activities during the summer programme which we organise for you. You can join other students and take part in many activities which include

- our annual beach party at the Students' Union
- visit to the traditional stately home of Chatsworth House
- tour of Manchester United football ground
- trip to the English seaside town of Whitby
- meeting British students and visit local families
- party in the park with tour of the Peak District
- Hallam Volunteering activities
- local friends scheme
- farewell party attended by local dignitaries

'I had the most wonderful time here in Sheffield Hallam University. I never thought studying could be this fun. Thanks to Sheffield Hallam, I experience quality education from the most experienced lecturers. Studying here is great. Come and see it for yourself. I promise you will not regret it. I love Sheffield to the max!'
