

Central Sheffield

Our location

Sheffield Hallam University is based in the heart of the country in Britain's fifth largest city. Major road and rail networks link Sheffield directly with the rest of the country and the city itself is served by excellent bus and supertram services. Our City Campus is directly adjacent to Sheffield's central Transport Interchange at Pond Street, and is a two minute walk from Sheffield Railway Station. There is a taxi rank outside the railway station. The journey time to Collegiate Crescent is 10-15 minutes. Psalter Lane Campus is around 15-20 minutes.

Rail links

Regular inter-city services operate between Sheffield and other major towns and cities. The London journey takes around two and a half hours, and Manchester, Leeds and Birmingham are an hour away.

Road links

Sheffield is easily accessible by road with a dual carriageway link (A630) from junction 33 on the M1 directly to the city centre.

NB. There are currently major ongoing roadworks around the city centre. Please be aware that there may be diversions in place.

Car parking

 Disabled visitors are advised to phone before visiting so suitable parking can be arranged.

There is restricted parking on all campuses. Visitors are advised to use NCP or other pay and display parking where available.
