

Collegiate Campus

A self-guided tour

A walk around Collegiate Campus

Our Collegiate Campus is a 20 minute walk from City Campus. It's next to Ecclesall Road, one of the main student areas in the city. This tour will give you a taste of what it has to offer. It takes around 45 minutes to an hour, depending on what you choose to explore.

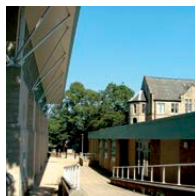

Collegiate Campus is currently undergoing a major redevelopment, with a new £27 million teaching and learning complex being built. This tour is designed to be taken while this work is going on (up to autumn 2014).

The text in red gives you directions. The text in black gives you some more information about what you see. At various points you can choose to explore an area further, then come back and rejoin the route where you left it.

1. Start your tour outside Collegiate Hall, on Collegiate Crescent and just off Ecclesall Road.

Collegiate Hall is home to our internationally renowned sports research centres. Our sports research is ranked fourth in the UK, and we provide services to a wide range of organisations and athletes, including football referee Howard Webb and the British Olympic boxing team.

2. Walk past Collegiate Hall with the entrance on your left and past the Saunders Building, also on your left.

The Saunders Building has teaching rooms and a cafe – feel free to have a look inside.

3. Keep walking up the hill to Collegiate Learning Centre. The main entrance is at the end of the building.

Explore – enter the learning centre and have a look around. (Be aware that students are working.)

Our learning centres offer you an informal, social and creative place to study, with a mix of silent and group work areas. They're open 24 hours a day during term time – so we're ready to work whenever you are.

In the 2012 National Student Survey 87% of our students praised our library resources and services.

During the redevelopment, Collegiate Learning Centre houses the Student Services Centre, which provides advice and support in everything from careers and finances to study skills and your wellbeing.

4. Exit Collegiate Learning Centre and turn left up the path. At the fork, bear right and cross through the car park.

On your left is the Main Building, which has lecture theatres and teaching rooms, including a clinical laboratory.

5. Head on to the exit towards the road and turn left up Collegiate Crescent. Cross the road and walk down Broomhall Road.

On your right you'll pass our Woodville hall of residence.

6. Continue down Broomhall Road until you reach the Robert Winston Building on your right. Go through the two sets of doors.

Explore – the Robert

Winston Building is where our health care students are based. Feel free to have a look around.

It contains cutting edge facilities including a digital x-ray suite, an electrotherapy suite and an award-winning virtual training environment for radiotherapists.

The building also replicates a real hospital, with a mock operating theatre and ward. It's all about giving you the experience you'll need in the job.

7. Exit through the main entrance and turn left back onto Broomhall Road. At the end of the road, cross over and turn right up Collegiate Crescent.

8. Continue past Collegiate Crescent Graduate School on your left and take the next left, signposted Faculty of Health and Wellbeing, 38 Collegiate Crescent.

Keep your eye out for squirrels – you can often see them playing in our grounds.

9. Walk up the path and take the first path on the right. Cross over the road and bear right at the fork.

10. Turn left onto the road and walk up to the wooden building, the Mews.

The Mews has several lecture theatres. It's notable for its sustainable roof covered in sedum plants.

11. When you reach the Mews take the narrow path upwards, walking with the wooden building next to you on your right (some steps – see the map for an alternative route).

Follow the path round until you see a synthetic sports pitch on your left and the temporary teaching building Willow Court on your right.

Willow Court and Chestnut Court are providing temporary teaching space and catering outlets during the redevelopment.

12. After passing Willow Court, turn left before you reach Chestnut Court and follow the path round, with the sports pitch on your left. Walk to the end of the pitch and turn left

through the car park.

13. Turn right onto another car park and walk through it to reach Broomgrove Road.

You'll pass Broomgrove Apartments on your left, where many of our students live.

14. Turn left down Broomgrove Road and walk for a few minutes until you reach the large green Pearson Building on your left.

Explore – feel free to enter the Pearson Building, home of Sheffield Hallam Active, our health and fitness programme.

At Sheffield Hallam Active, you can enjoy a fantastic range of sport, health and fitness services at great prices. There's something to suit all tastes – whether you want to train in the

gym, take part in classes, get involved in fun social sport sessions, or complete a coaching and officiating award course.

The Pearson Building includes a fitness suite, gym, sports hall, movement studio and our own physiotherapy clinic, which provides a service to students and staff.

Once you've had a look around, exit through the same doors and turn back onto Broomgrove Road.

15. Continue to the bottom of the road and turn left onto Ecclesall Road, opposite Cafe Rouge.

Ecclesall Road is one of the most popular student areas in Sheffield, and well

worth walking up and down if you have time.

If you turn right and walk up the road, then turn right up Thompson Road, opposite the KFC, you'll find the Botanical Gardens, one of Sheffield's 200 parks. It's very popular with our students and a great place to take your revision (or just meet your friends) on a sunny day.

16. Take the next left onto Collegiate Crescent to find yourself in front of Collegiate Hall on your left, where you began your tour.

How to find us

We're in the heart of the country, in Britain's fifth largest city. Major road and rail networks link Sheffield directly with the rest of the country and the city itself is served by excellent bus and Supertram services.

If you're using a satnav to find us, the addresses and postcode for Collegiate Campus is Collegiate Crescent, Sheffield S10 2BP.

Campus maps and more detailed directions to help you plan your visit are available at **www.shu.ac.uk/visit**

Car parking

Car parking at both our campuses is limited, but there are several pay and display car parks close by our City Campus and some near to our Collegiate Campus.

If you're disabled, call us on 0114 225 5555 before your visit and we'll arrange suitable parking.

We hope you enjoy your tour. If you have any questions or comments, call 0114 225 5555 or email **enquiries@shu.ac.uk**
