Engaging with Responsible and Ethical Management
20th April 2016, 9.30am - 5.00pm

New resources to support research, teaching, partnership building and employability

This event presents new learning, teaching and research support materials for anyone engaged in responsible and ethical business education. It is focussed on the intersection of teaching and learning materials for social enterprise and responsible management education. New textbooks and materials will be launched at the event to advance learning, teaching and research on responsible management education.

This event will be of interest to you if you are working in (or with) HEIs as an educator, researcher and enterprise support professional with a focus on:

- Business Ethics
- Responsible Management Education (e.g. UN PRME Initiative)
- Social Entrepreneurship / Social Enterprises
- Co-operative Leadership / Co-operative Development
- Sustainability Development (e.g. UN Global Compact)
