Front

Bleed

Bleed is not possible and that there will be a 3mm white border.

Safe Area (5mm)

We recommend that your artwork is at least 5mm from the edge of the page and within the safe area, if you do not require the document to bleed.

— — Fold line

This is where your document will be folded. Please ensure all text is set at least 5mm from this line. Important:

Anything past the white dotted line will be trimmed off.

Once you have created your design, please delete the layer with the instructions on before converting to a PDF.
