Buzz is a community based Charity working with vulnerable children, young people and adults. Students can expect a very friendly and supportive environment with the opportunity to engage in a diverse range of projects and groups such as the ones listed below

- **The Den:** helping disadvantaged children through a pop up play den to manage their emotions and increase their confidence and self-belief.
- **Youth Quake:** encouraging young people off the streets and engaging in inspiring activities.
- **Youth Exchange:** support and inspiration for young people in Broomhall to express their own perspectives and have their voices heard and the opportunity to create lasting social change in their community and make lasting connections with stakeholders, communities and individuals.
- **Curiosity Club:** encouraging young people to see science as an enlightening, engaging and enjoyable experience.
- **Project Stay Safe-** a programme of fire, water and road safety and awareness for excluded groups (older/isolated/BAME/asylum seekers).
- **International and Intergenerational Events** -helping to build communities through socialising, playing and sharing.
