

# Midwifery placements

- Your placement learning opportunities are currently available in the following locations:
  - South Yorkshire and Bassetlaw
  - Chesterfield/North Derbyshire**approximately** within the area outlined within the dark green line on the map opposite.
- Examples of our midwifery placement providers are available on the [Placement Provider Information page](#) on this website.
- **Your placements could take place anywhere in South Yorkshire and Bassetlaw and you will be expected to attend the placements that you have been allocated to attend.**
- Placement learning takes place in many settings which may include NHS and private, voluntary and independent organisations delivering acute, primary and community care and public health services.
- We are continually working to develop new placement learning opportunities - therefore placement learning settings maybe added to the current list of placement settings.
