

Notice for Websites (Nursing and Midwifery) - to be included in Placement Provider section under Chesterfield Royal Hospital ONLY

Students attending placement at Chesterfield Royal Hospital NHS Foundation Trust (ALL Trust sites)

Please note, **Chesterfield Royal Hospital NHS Foundation Trust** has updated the title given to nursing and midwifery mentors, sign off mentors, practice supervisors and practice assessors.

ALL Trust nursing and midwifery staff acting as Mentors, Sign Off Mentors are now known as Practice Supervisors or Practice Assessors

If you are a student who commenced your nursing or midwifery training before September 2019, you will be assigned to a Practice Assessor who meets NMC Mentor/Sign Off Mentor requirements or equivalent:

Final year Nursing Students

- Students will be supervised by Practice Supervisors who meet the NMC mentor/Sign Off mentor standards or equivalent.
- Students will be assessed by a Practice Assessor who meets NMC Sign Off Mentor standards or equivalent.
- The Practice Assessor will be available for students but may not necessarily be working alongside students for at least 40% (equivalent to 15h per week) of the time the student is on placement.

Year 2 Nursing Students

- Students will be supervised by a Practice Supervisor and assessed by a Practice Assessor who meets NMC Mentor standards or equivalent.
- The Practice Assessor will be available for students but may not necessarily be working alongside students for at least 40% (equivalent to 15h per week) of the time the student is on placement.

Midwifery Students

- Students will be supervised by Practice Supervisors who meet the NMC mentor standards or equivalent and assessed by a Practice Assessors who meet NMC Sign Off Mentor standards or equivalent
- The Practice Assessor will be available for students but may not necessarily be working alongside students for at least 40% (equivalent to 15h per week) of the time the student is on placement.
