Year 2

Pathway 1	Recovery Clinical period	Anaesthetics Clinical period	Surgical Clinical period	Clinical development period
Pathway 2	Anaesthetics Clinical period	Surgical Clinical period	Recovery Clinical period	Clinical development period
Pathway 3	Surgical Clinical period	Recovery Clinical period	Anaesthetics Clinical period	Clinical development period
Referral pathway				Referral Period

If student refers 1, 2 or 3 Clinical periods they will only get 1 attempt at each, then take the referred Clinical periods to the referral period. This will be 6 weeks total. They will use referral Clinical period paperwork and look at the parts they have referred and address these.
