

Work Based Learning - Placement Supervisor Evaluation

Your Role Supporting Our Students

- a) I was always able to prepare myself to support the students allocated to me for placement learning.
- b) I am always able to ensure that the students receive an appropriate induction at the start of placement (This refers to policies, procedures and health and safety issues).
- c) I was able to facilitate the students learning.
- d) I was able to include students as part of the team during the placement period.
- e) I was able to ensure the students had access to adequate learning resources.
- f) Where appropriate the students were offered opportunities for inter-professional working.
- g) I was able to ensure the students experienced learning opportunities necessary to achieve their learning outcomes for the placement.
- h) Students learning needs are considered an important part of the work on this placement.
- i) Feedback from service users on the students' performance on placement was reflected in the assessment of students.
- j) I was able to conduct my students' progress reviews as required.
- k) I am confident in continuing to offer this placement as a practice learning environment for students.
- l) I was able to complete a placement supervisor update as required for my profession (if applicable).
- m) The Sheffield Hallam University Practice Learning Information Website has supported the quality assurance of student placements.

Support from Sheffield Hallam University

- n) The information received from Sheffield Hallam University was always adequate to prepare me to support the students for this placement.
- o) I was adequately prepared to use the assessment of practice documentation.
- p) I ensured on-going constructive feedback to the students about their development in practice was recorded in the appropriate documentation.
- q) When required I received appropriate support from the Work Based Learning Tutor whilst my students were on placement.
- r) I am confident that I have always made the correct assessment decisions.

Practice Learning Information Website

The Practice Learning Information Website is a useful source of placement information. You should have been introduced to the website by Sheffield Hallam University.

- s) Are you aware of the Practice Learning Information Website?

- t) Have you used the Practice Learning Information Website?
- u) Was it easy to navigate to the information you required on the Website?
- v) If no, please tell us why (please be as specific as possible).
- w) Did the Website cover all you needed to know in relation to supporting students on placement?
- x) If no, please tell us why (please be as specific as possible).
- y) Is there any other information you would like to see on the website?
