

Exceptional Reporting of Serious Concerns/Incidents

Report(s) of any Serious Incident(s) occurring within OR concerns raised including by CQC/OFSTED relating to any organisation that currently provides placement learning opportunities to students of health and/or social care must be shared with the university (contact Heidi Cheung, Director of Placement Learning h.cheung@shu.ac.uk)

Information and evidence requested by PSRB

University also informs other HEIs whose students also use the placement

Designated senior representatives of the placement provider organisation and HEI will discuss and agree:

- actions being taken forward
- any additional actions to be progressed, including monitoring of action; and
- lessons learnt from concern or issue to inform enhancements within provider organisation/ HEI/both

If there is any change of circumstance, any further reports of serious concerns/ incidents relating to a specific placement OR actions taken to address concerns/incidents have not been successful, updated Exceptional Report to be provided to appropriate PSRB & NHSE

Director of Placement Learning must be notified

HEI to follow current requirements for Exceptional Reporting of Concerns/Incidents and Actions to PSRB using Sheffield Hallam University Exceptional Reporting Form AND NHSE using designated reporting process (contact Heidi Cheung h.cheung@shu.ac.uk OR Judy Redman j.h.redman@shu.ac.uk)
