

Student placement evaluation questions - AMHP

Preparation for Placement Learning

1. I felt my education provider prepared me for Placement Learning.
2. I was informed of AMHP course Placement Learning requirements in sufficient time for me to discuss these with my Practice Educator.
3. I found the information I needed on the placement

Orientation

4. I had an induction and orientation to my environment, including health and safety information
5. The induction and orientation to my placement included policies and guidance on raising concerns whilst a student on placement.

Learning Opportunities/Resources

6. The placement provided me with access to resources which helped me with my learning
7. There was sufficient access to internet and IT facilities whilst on placement.
8. The learning opportunities available in this placement enabled me to achieve my learning outcomes
9. I was encouraged to take part in activities appropriate to my level of experience.
10. I had sufficient opportunities to receive feedback after being observed in placement activities.
11. The placement provided me with the experience of working inter-professionally

Supervision/Support

12. I received timely support from my course/programme team whilst on placement when I needed it

13. Early in the placement my learning needs were discussed with my placement supervisor.
14. My placement supervisor and the wider team were able to facilitate my development and recognised the importance of my learning needs.
15. With the support of my placement supervisor I was able to work towards my placement learning outcomes.
16. Staff in the placement area were friendly, helpful, included me as part of the team and had time to answer my questions.
17. I understood the process for raising concerns within the placement.

Feedback/Assessment

18. My placement supervisor understood and followed the student assessment process.
19. My development in practice was informed by on-going constructive feedback.
20. Where applicable, the placement encouraged service users/carers to provide performance feedback during my placement.
21. My final assessment was fairly assessed and focused on feedback about my performance across the whole placement.

Recommendations/Concerns

22. I would recommend the placement setting to friends and family.
23. I was satisfied with the standard of service on my placement
24. I was satisfied with the standard of my educational experience on my placement.
25. Any concerns I raised were dealt with appropriately.
26. I would recommend this placement as a valuable learning experience
