Welcome!

A pre-arrival guide for international students 2021/22
Congratulations on being accepted as a student at Sheffield Hallam University!

We look forward to welcoming you to Sheffield and Sheffield Hallam University.

This guide is divided into five steps to help you arrive on campus safely and well prepared.

We advise you to complete the steps in sequential order. Each step contains a checklist of tasks, which you can cross off as you complete them.

Please note: dates in this guide were correct at the time of printing but may be subject to change. Please check online before you travel.

STEP 1: On receiving your offer of a place at Sheffield Hallam University

STEP 2: In the weeks before you leave

STEP 3: Getting ready for departure

STEP 4: Arriving in Sheffield

STEP 5: Succeeding in your studies
You must hold a valid Student visa that entitles you to study at Sheffield Hallam University before you can begin your course with us.

Once you are clear when you plan to arrive in Sheffield, and you have received your Confirmation of Acceptance for Studies (CAS), you should apply for your visa.

Which visa should I apply for?
Most international students need a Student visa if they are studying a course that is 6 months or longer. Visit [gov.uk/student-visa](https://www.gov.uk/student-visa) for more information.

I already have a valid UK visa. Do I need to apply again?
If you are currently in the UK on a Student visa for another university, you must apply for a new Student visa before you can enrol at Sheffield Hallam University.

If you have any other type of UK visa and are not sure whether or not you need to apply for a new visa, please email hallamhelp@shu.ac.uk for advice.

If you are already in the UK and intend to extend your visa, you must book an appointment with the International Experience Advisers at Sheffield Hallam, to confirm eligibility for an in-country extension, as this is not always possible.

To book an appointment telephone 0114 225 2222 or email hallamhelp@shu.ac.uk.

I need a Student visa. Who can help me apply for it?
The Home Office website provides detailed information and guidance about applying for a Student visa.

Visit [gov.uk/student-visa](https://www.gov.uk/student-visa)

The UK Council for International Student Affairs (UKCISA) also offers detailed advice for international students applying for study visas.

Visit [go.shu.ac.uk/studentvisaoutsideuk](http://go.shu.ac.uk/studentvisaoutsideuk)

If you require further help and you are in the UK, we strongly recommend that you book an appointment with the International Experience Advisers at the University.

If you are in your home country and you need support with your visa application, please contact the International Experience Advisers, who can offer advice over email or Skype.

To book an appointment email hallamhelp@shu.ac.uk.
How long will the application process take?
The application process will probably take around two months, so you must start the process early.

When can I apply for my Student visa?
You can apply for your Student visa up to six months before the start date of your course.

What documents will I need?
You will need the following documents:

1. Valid passport
You will need to submit your passport with your Student visa application. Ideally, the passport should be valid for the duration of your study in the UK plus six months at the end.

2. Passport photograph
You will need to submit a passport-sized colour photograph that was taken no earlier than one month before your application. The photograph must be in a specific format. Visit go.gov/uk/photos-for-passports for guidance.

3. Confirmation of Acceptance for Studies (CAS) from Sheffield Hallam University
You will receive your CAS when you accept your unconditional offer and pay a deposit (if applicable). Check your CAS carefully before you use it. Your name must be exactly the same as it is in your passport and your passport number must be correct. Check that all your qualifications are listed correctly, that the details of the course that you are going to study are correct (including course duration) and that any payments you have made to Sheffield Hallam are recorded correctly.

4. Transcripts or exam certificates listed on the CAS
You will need to submit your original transcripts or qualification certificates. Details of these will be listed on your CAS. The documents must include your full name and the name of the academic institution awarding the qualification. They must also include the date and title of awards (for certificates) and the course title and confirmation of award (for transcripts).

5. Evidence of enough funds to meet the UK Visa and Immigration (UKVI) maintenance requirements
You must show the balance of one year’s tuition fees plus £9,207 for living expenses in Sheffield. If your course is less than nine months, you need to show the balance of your tuition fees plus £1,023 per month for your living costs. You will need to prove that you have kept this amount in your bank account for 28 days before you submit your application.

6. ATAS certificate (if applicable)
Non-EU applicants for certain postgraduate courses need to get an Academic Technology Approval Scheme (ATAS) certificate before applying for entry to the UK. You must have your ATAS certificate before you apply for your Student visa. It can take up to three months to get your ATAS certificate, so you must apply early.

Visit go.gov/uk/guidance/academic-technology-approval-scheme to apply.

7. Tuberculosis test certificate (if applicable)
You will need a tuberculosis (TB) test if you are coming to the UK for more than six months and are resident in any of the countries on the list at go.gov/uk/tb-test-visa. If the test is clear, you will be given a certificate, which you must submit with your visa application.

What should I do if my visa is refused?
You must inform us immediately if your visa application is refused by UK Visas and Immigration. Please email your visa refusal notice to internationaladmissions@shu.ac.uk

You have two options:

• You can submit an Administrative Review if you think the decision is incorrect. There is no fee for this but it can take at least 28 days – and sometimes much longer – for a decision to be reached. Strict deadlines apply, so you must contact us as soon as you receive your visa refusal notice if you are considering this option.

• Alternatively, you can make a new application. Please read the refusal notice carefully to see which documents were missing or incorrect the first time. You will need a new CAS if you wish to make a new application.

In some cases, the International Experience Team will provide assistance with Administrative Review applications. We will contact you with advice once we have reviewed your visa refusal notice.

EU/EEA applicants should read our Brexit Information page for the latest guidance on studying in the UK.

How can I contact the International Experience Team?
Email hallamhelp@shu.ac.uk
Visit shu.ac.uk/international/international-experience-team
Book your accommodation

Whether you are looking for halls of residence or a shared house, we strongly recommend that you apply for accommodation through the University Accommodation Service at shu.ac.uk/accommodation. You will receive tailored support and guaranteed help in finding somewhere to live.

Accommodation in halls of residence

Our halls are the most popular choice for international students, and there are a range of properties and room types to suit all budgets. From standard single rooms, to single en-suites with larger beds, and even self-contained flats – all in self-catered residences. Most halls are less than a 10-minute walk from campus and never more than a 30-minute walk.

There are many advantages to living in halls;

- you are guaranteed a place
- rent includes bills, insurance, and internet
- residential support services are available
- halls are located in popular student areas
- halls offer a safe and secure environment
- full year and flexible contract options available

Visit shu.ac.uk/accommodation to apply for accommodation as soon as you have received a course offer. You can also access 360 videos, prices, and even more information on the variety of residences we have available.

Accommodation in the private sector

The safest method of looking for private sector housing is to apply via Accommodation Services. We provide advice on all aspects of house-hunting, have specialist knowledge of the local area and properties available.

If you want to find private sector accommodation, you may wish to finalise arrangements after you have arrived in Sheffield with our help. This will give you the chance to visit the property and meet the landlord. You should plan an early arrival and set a few days aside for this task.

When looking for private sector accommodation, consider the following factors:

- **Location** – the majority of students at Sheffield Hallam University live in S1, S7, S10 or S11.
- **Rent** – check whether bills and utilities are included in the rent or whether you are expected to pay for those separately. Ensure that you are aware of any additional payments that you will be required to make before you commit.
- **Duration of contract and tenancy agreement** – make sure you understand what you are signing. The Students’ Union Advice Centre can go over your tenancy agreement with you before you sign it.

snug & Studentpad

Together with Sheffield City Council and the Students’ Union Advice Centre, Accommodation Services have a private sector student property standard called snug. Only private sector properties that have been vetted - the vetting process includes an inspection and compliance with tenancy management – are advertised on our website at shu.ac.uk/privatehousing.

You can be sure that any property you find on our Studentpad website will be an ideal home for your time in Sheffield. You can even meet potential housemates through the message board.

If you intend to find private sector accommodation once you have arrived in Sheffield, you will need to book temporary accommodation before you leave your home country so that you have somewhere to stay while you are looking. Visit shu.ac.uk/accommodation to apply, receive dedicated help and support, as well as discounted hotel rates near Sheffield Hallam.

Register for Disabled Student Support (if applicable)

If you have a disability, please register with Disabled Student Support as soon as you have confirmed your place at Sheffield Hallam University. Visit go.shu.ac.uk/disabilitysupport to register and to find out about the range of support available to you during your time at Sheffield Hallam University.

To access support at the University, disabled students need to provide evidence of disability. It can be a letter or report (it needs to be in English or an official translation provided) signed by a recognised medical professional, state a diagnosis and that the disability has lasted or is likely to last 12 months or longer.
Plan your journey to Sheffield and book our free airport pick-up service

We strongly encourage you to book our free Manchester airport pick-up service – it will make your arrival easier and more enjoyable. Our friendly student guides will

• meet you at the Manchester airport terminal
• introduce you to other new students
• bring you to Sheffield by train or private coach
• order a free taxi to take you to your accommodation

If possible, book a flight that arrives before 4pm (16:00) UK time, so that you have enough time to collect your luggage and get through immigration before meeting our student guides.

It is your responsibility to find our student guides as soon as possible after your arrival. Unfortunately, if you fail to do this and you miss the pick-up, the University cannot cover your travel costs to Sheffield.

How do I book the service?

Find the full range of available dates and book the service at go.shu.ac.uk/arrival

You must book a place for this service at least one week before you are due to arrive. Make sure you use your personal email address when you complete your details. You will receive a confirmation email with further information about the service. Please check your inbox after you have registered.

If you arrive without booking the service or you book too late, we cannot guarantee that you will get a seat on the coach.

What should I do if I arrive on a day when the pick-up service doesn’t run?

You should tell us when you plan to arrive by filling in the arrival information form at go.shu.ac.uk/arrival. You will receive instructions about travelling to Sheffield and getting support on arrival.

What should I do if I arrive late at night?

If you cannot avoid arriving late at night, you have two options. You can book the airport pick-up service for the next morning, if it is available, and find overnight accommodation at the airport. Alternatively, you can take the train to Sheffield – in this case, follow the instructions you will receive by email and come to the University.

What should I do if I am arriving at a different airport?

Please tell us when you plan to arrive by filling in the arrival information form at go.shu.ac.uk/arrival. If you choose to fly to another major city in the UK, you can either get a connecting flight to Manchester or travel by train or bus to Sheffield. Visit nationalrail.co.uk for train times and nationalexpress.co.uk for bus times. Go to shu.ac.uk/visit for information about how to find the University once you get to Sheffield.
When you arrive at the airport in the UK, head to passport control.

If you are a national from Australia, Canada, Japan, New Zealand, Singapore, South Korea or the USA, and are staying in the UK for over 6 months, you can use the automated eGates.

If you are a short term student (up to 6 months) or from a country not listed above, you must not use the eGates, as you need to see an officer to get a stamp in your passport. This stamp gives you the permissions needed for your studies. To assist with this, download this document and present it to a Border Force Officer. This can be presented to staff either printed or shown on a mobile device.

Set up your SHU IT account

A month before you are due to arrive, you will receive an email explaining how to set up your Sheffield Hallam University IT account.

Once you have done this, you will be able to access your University email with the login and password that you have created. Instructions can also be found on the enrolment guidance page.

Book your place on the orientation sessions

The University offers an orientation programme for all international students, incoming exchange students and study abroad students.

It will offer a combination of on-campus and online sessions, interactive workshops, and social activities on campus, such as campus and city tours.

We strongly encourage you to attend and book as many sessions as you can.

Find dates and times of orientation at go.shu.ac.uk/orientation

- 25 December 2021–3 January 2022
- 15-19 April 2022
- 2 May 2022
- 30-31 May 2022

* Dates subject to change. For the latest dates please visit go.shu.ac.uk/internationalsupport
All students should arrange travel insurance before travelling to the UK.

Whether or not you also need medical insurance depends on your nationality and the duration of your stay in the UK. If you will be studying with us for longer than six months, you will need to pay the Immigration Health Surcharge when you apply for your visa. This will entitle you to free NHS treatment while you are in the UK. The cost is £300 per year and your payment will be calculated according to the amount of time that you will be in the UK (including the additional time at the end of your visa).

If you are studying in the UK for up to six months, only emergency treatment only will be free. Therefore, you should purchase medical insurance before you leave home.

Visitors from EU countries, Norway, Iceland, Liechtenstein or Switzerland please visit go.shu.ac.uk/NHSEEA for more information.

All international students undertaking full-time undergraduate or postgraduate taught courses must pay tuition fees (as calculated below).

A deposit will need to be paid to secure your place on the course and before the University can issue your Confirmation of Acceptance for Studies (CAS).

You must have paid 50 per cent of your fees before you can enrol fully on your course. We advise you to make the payment before leaving your home country to avoid delays with your enrolment.

If you cannot arrange this, the University can accept payment when you arrive.

How do I calculate 50 per cent of the fees I need to pay before I enrol?
Please use the following advice to help you calculate your fee payments.

Step 1: Check your offer letter to find out the total fees for your course. Then take away any discounts for which you are eligible (if any).

Step 2: Divide the resulting figure by two to work out 50 per cent of your tuition fee.

Step 3: If you have already paid a deposit, take that amount away from the 50 per cent fee.

Step 4: The remaining amount is the total that you need to pay before you can enrol on your course.

How can I pay my fees?
We offer a number of ways to pay your tuition fees. For details, visit go.shu.ac.uk/shupayments.

What should I do if my tuition fees are paid by a sponsor?
If you have obtained sponsorship from your employer, a government or another professional body, the University will require a sponsor letter from that organisation confirming:

• your name, your chosen course, and the academic year for which the organisation will be paying
• the proportion of the fees that they will be paying (for example, 100 per cent)

Send a copy of your sponsor letter as soon as possible to the Sales Ledger Team at invoicing@shu.ac.uk.

Completing your online enrolment
You will receive an email from Sheffield Hallam University asking you to complete your enrolment online. You will use your login code and password your created when setting up your SHU IT account, to access the enrolment task at msr.shu.ac.uk.

Please note that you will not be able to complete the enrolment if you have not paid at least 50% of your tuition fees. If you’ve paid by bank transfer, please allow up to 7 days for your payment to be received before you complete your enrolment. Online payments are processed faster.

Please note that you must enrol by the latest enrolment date included on your CAS even if you plan to arrive in the UK later.

Step-by-step instructions can be found on the enrolment guidance page.
Pack important items in your hand luggage

Make sure that you pack the following important items in your hand luggage and keep them with you at all times:

• your passport
• any medication you are taking
• details and policy wording for any insurance you have arranged
• enough money in sterling and travellers’ cheques for your first few weeks
• any accommodation contracts or payments that you have been asked to bring with you
• your CAS
• your Home Office decision letter informing you where to collect your visa (BRP) on arrival in the UK
• your final letter of acceptance for your course
• a recent chest X-ray report (CXR) in English, confirming that you do not have active TB (if applicable – check gov.uk/tb-test-visa for more information).

Carrying cash

Do not carry large amounts of cash in your luggage. Only bring enough with you to cover expenses for the first few days.

If you have no other option but to bring a large sum of money with you, please read the guidance at gov.uk/bringing-cash-into-uk

Please note, cash is not a payment option at Sheffield Hallam.

Pack appropriate clothing

British weather changes a great deal throughout the year.

In summer (June to August), temperatures can reach 25–30°C, while in the winter they often drop to around 5°C during the day, and there is usually some snowfall in December, January or February.

Make sure that you pack appropriate clothing for the weather, including:

• a warm, waterproof winter coat or jacket
• two jumpers/sweaters
• strong waterproof shoes or boots
• warm gloves/hat/scarf

It may be cheaper to buy some of this clothing when you arrive in the UK. Dress in the UK is mostly very informal.
Luggage

Use good quality, strong luggage, labelled with your contact details both in your home country and the UK.

If you do not know your address in the UK yet, use the University’s address – Sheffield Hallam University, City Campus, Howard Street, Sheffield S1 1WB, UK.

In the unlikely event that your luggage is damaged or lost, report this at the airport. Your luggage can be delivered to our 24-hour reception, if necessary.

Check the safety of any electrical equipment you intend to bring

Electricity in Britain is supplied on 240volts/50Hz cycles.

Check that any electrical appliances that you intend to bring with you will work safely on this voltage, and bring adapters to help convert the voltage, if necessary.
The University has an emergency phone number for international students who experience problems with their journey to Sheffield. You will be able to contact a member of staff 24 hours a day during September and January. Please note that this number can only be used within the UK.
Take part in the international orientation and welcome week

Your first week will be very busy and exciting as you explore your new home!

The University organises orientation events for all new international students. During international orientation, you will get lots of information about all the services we provide, as well as advice on opening a bank account and registering at the Medical Centre and with the police (if necessary). You will also have plenty of opportunities to meet staff and students, have fun and start making new friends!

International Orientation will offer a combination of online sessions, interactive workshops, and small-group social activities on campus.

To find out dates and times and to book your online sessions visit go.shu.ac.uk/orientation

What should I do if I miss Orientation?
You can attend the online Orientation sessions before you arrive in the UK. Please go to go.shu.ac.uk/orientation to book your sessions.

If you arrive after the Meet & Greet period has ended, please attend an online drop-in session with the International Experience Team.

Collect your BRP and your SHU card

Once you have arrived at the University, you will need to book an appointment to collect your BRP and your SHU Card.

You will be required to upload evidence of the date of your arrival in the UK and will be sent an email to book an appointment to collect your BRP from campus in due course.

Once you have booked your appointment, your confirmation email will provide the details about the collection location.

Open a bank account

You should open a bank account as soon as possible after arriving in Sheffield.

Once you have arrived in Sheffield, you will need to open a UK bank account. We advise choosing a bank with a city centre branch. Please do your research online and read this bank options summary to choose the one that suits your needs best.

To open an account, you will need your passport and a bank letter confirming your term-time and home address as well as the duration of your course.

You can print or download a bank letter from My Student Record at msr.shu.ac.uk. Please check that the information on the letter is correct before you go to the bank. You should also make sure that your name as printed on the bank letter is exactly the same as it appears in your passport.

Check your timetable

Your timetable will be available a week before your course starts.

Check your timetable carefully and regularly – it is subject to minor changes, especially in the first two weeks of teaching.

Report any timetabling clashes by emailing hallamhelp@shu.ac.uk

Register with the police (if necessary)

Please note that this information applies to non-EU citizens only.

Do I need to register with the police?
If you are required to register with the police, this will be stated on your visa vignette or your Home Office decision letter.

How do I register?
You usually need to register online within seven days of your arrival in the UK.

You will then need to take the following documents to a police station and pay a registration fee of £34 (payable by contactless card only) before you can collect your police registration certificate:

• original passport
• BRP card
• University CAS or offer letter
• accommodation contract
While you are in the UK, you must report to the police within seven days of:

- a change of address
- a change of course or university
- a change of name or marital status, or the birth of children
- an extension of stay granted by UK Visas and Immigration
- a change of passport
- a temporary absence of eight weeks or more from your registered address

For more information, visit southyorkshire.police.uk/sign-up/register-as-an-overseas-visitor

Register with a doctor

Register with a doctor (GP) as soon as possible after arriving in the UK – do not wait until you feel unwell.

You can register by completing the form online at campusdoctor.co.uk/shu, the medical centre may contact you to discuss any necessary vaccinations and book you into an appointment.

When you register, you will be asked about your vaccination record and given additional vaccinations, if necessary. You may also be required to have a blood test.

For more information, visit studenthealthatshu.co.uk

Is it free to use the Medical Centre?

Yes, it is free to make an appointment with your GP or the practice nurse at the Medical Centre. However, please bear in mind that some NHS services are not free – for example, you will need to pay for your prescriptions, and for appointments with a dentist or optician.

Will I have to pay for other NHS treatment – for example, treatment in hospital?

Whether or not you will need to pay for other NHS treatment or services depends on why you require treatment, your country of residence and the duration of your stay in the UK.

Some NHS treatments are always free for everyone, including:

- accident and emergency services (but not necessarily follow-up treatment, or later admission to hospital as an in-patient)
- family planning services
- diagnosis and treatment of sexually transmitted infections
- diagnosis and treatment of certain infectious diseases

Is it free to use the Medical Centre?

Yes, it is free to make an appointment with your GP or the practice nurse at the Medical Centre. However, please bear in mind that some NHS services are not free – for example, you will need to pay for your prescriptions, and for appointments with a dentist or optician.

Will I have to pay for other NHS treatment – for example, treatment in hospital?

Whether or not you will need to pay for other NHS treatment or services depends on why you require treatment, your country of residence and the duration of your stay in the UK.

Some NHS treatments are always free for everyone, including:

- accident and emergency services (but not necessarily follow-up treatment, or later admission to hospital as an in-patient)
- family planning services
- diagnosis and treatment of sexually transmitted infections
- diagnosis and treatment of certain infectious diseases

If you are studying in the UK for longer than six months

If your course lasts for six or more months, you will pay the Immigration Health Surcharge (IHS) when you apply for your Student visa. You will, therefore, qualify for free NHS treatment.

Please note that you will still need to pay for:

- prescription medicines
- some GP services (such as travel vaccinations and getting a sickness certificate)
- dental treatment
- optical treatment
- treatment for any illness or condition that existed before you arrived in the UK

When can I register with a dentist?

You can register with a dentist as soon as you have registered with a GP. If you do not register with a GP, you will have to pay for private dental treatment, which is significantly more expensive than NHS treatment.

Charges vary and you are advised to discuss costs in advance with the dentist. You can find your nearest dental surgery online at nhs.uk/Service-Search/Dentist/LocationSearch/3

Sheffield Hallam University
A pre-arrival guide for international students 2021/22
Organise your council tax exemption

Students only need a council tax exemption letter from Sheffield Hallam University to apply for council tax exemption.

This can be printed from My Student Record at msr.shu.ac.uk

Once you have the required document/s, apply for council tax exemption online at go.shu.ac.uk/CTexemptions

Find out about part-time work opportunities

If you are planning to work while you study, you will need a National Insurance (NI) number. Visit gov.uk/apply-national-insurance-number to apply.

It may take some time to get your NI number. However, you can start working part-time as long as you can prove that you have the right to work. If you are a visa national, your visa will state whether or not you are permitted to work and for how many hours a week. Please note that if you are staying in the UK on a short-term study visa you cannot work or volunteer.

EEA nationals can work unlimited hours – however, the University recommends that you work no more than 15 hours a week. Greater work commitment is likely to have a negative impact on your studies.

If you are interested in part-time work, visit Careers Connect for advice and support at shu.ac.uk/careers or call once you arrive on 0114 225 3752.

The Careers & Employability Team runs regular workshops, and you can book an appointment to see an Employability Adviser to discuss any career-related query you may have. The service is available to you throughout your time at Sheffield Hallam, and also for life, once you graduate. You can find your designated Employability Adviser here: shu.ac.uk/careers/see-an-adviser/meet-the-team

Enjoy life in Sheffield!

Sheffield is a welcoming, multicultural city with a rich and proud history.

It offers the best of both worlds, having all the amenities, culture and entertainment of a big city as well as the peaceful, green spaces of the countryside.

The city has a vibrant art, music and film scene, with the largest theatre complex outside London, six multiscreen cinemas, nine art galleries and many venues showing performances from internationally-renowned comedians, musicians and bands.

Sheffield is one of the greenest cities in Europe, and one-third of the city lies within the beautiful countryside of the Peak District National Park, where you can visit some of the UK’s most spectacular historic houses and castles. There are also many opportunities for climbing, mountain biking and hiking.

What places of interest are there in and around Sheffield?

Here are just some of the fascinating places you can visit in and around Sheffield:

• The Millennium Galleries – four exhibition galleries of visual art, craft and design in Sheffield’s city centre
• Chatsworth House – one of Britain’s best loved historic houses, dating from the 1400s
• Meadowhall shopping centre –

How expensive is Sheffield?

Life in Sheffield can be a little cheaper than in some other UK cities, depending on your personal lifestyle. However, you are likely to need about £1,000 per month to cover living expenses including accommodation. You can find more detailed information about the cost of living in Sheffield online at numbeo.com/cost-of-living/in/Sheffield.

For more detailed information about Sheffield, visit shu.ac.uk/Study-here/Sheffield-guide

The International Experience Team provide support to all international students in the University.
Use the University’s Student Support Services

Many services and facilities are available at Sheffield Hallam University to offer advice and support. Make sure that you know who can help you.

The Student Support Services offer a wide range of high-quality support and guidance, including:

- international experience service and immigration advice
- help with seeking part-time work and career planning
- study support
- wellbeing support
- faith and religious support
- services for students with disabilities
- a nursery and childcare services

Find out more by emailing hallamhelp@shu.ac.uk or visit go.shu.ac.uk/international

Make the most of our libraries and IT facilities

Each University campus has its own library: the Adsetts Library at City Campus and Collegiate Library at Collegiate Campus.

These libraries offer traditional library services and more, including loans (books, journals, DVDs and e-resources), individual and group study spaces, PCs, free Wi-Fi, printers, and photocopiers.

University libraries and self-service facilities are open 24 hours a day throughout the year and you can buy food and drink there at any time, day or night. You can work at one of 4,000 PCs and Macs in our libraries, cafes, teaching rooms and other study spaces. Wi-Fi is available across campus so you can bring your own device or borrow a laptop from us.

Each library has a helpdesk near its entrance where you can get information about the facilities on offer, and ask for help with your borrowing, information and IT needs.

When you are working from home, you can access our range of services through MyHallam, the University’s personalised online environment. The Library Gateway pages on MyHallam give access to Library Search, information databases and electronic resources, including e-books, e-journals, and video and image resources. MyHallam is your route to all essential information, such as timetables, online learning modules, your University email account, your student record and support services. Visit shu.ac.uk/libraries
Sign up to the University English Scheme

If English is not your first language, it is essential that you quickly develop your confidence in speaking and understanding English.

We recommend that you attend a pre-sessional English course before you begin your degree course.

You can also improve your English while studying. The University English Scheme offers free English language classes to help you enhance and improve your English for academic study. You can also take the 20-credit English for Academic Purposes module. To find out more about English language support, visit go.shu.ac.uk/UES.

Develop your academic skills

The Skills Centre is the academic skills development centre in our libraries. We offer a range of individual and group sessions on academic skills, with topics including:

- critical writing
- planning and structuring your assignments
- referencing
- introduction to academic writing

We also have a range of online resources and remote study options for when you’re not on campus, including Studosity, an online writing feedback service.

You can find out more about this and other great services including Maths & Stats Support, Assistive Technology & The University English Scheme on our blog.

Visit blogs.shu.ac.uk/skillcentre for more information.

Get involved in campus life

You will be matched with a Culture Connect mentor, who will encourage you to get involved in campus life and help you with any problems you have while you are settling in to your studies.

Try to meet up with your Culture Connect mentor regularly. These meetings will give you opportunities to improve your English and to learn about other cultures.

There are many other ways to get involved on campus and online, please visit linktr.ee/shu_goglobal here are some that may interest you:

- Join Conversation Club and our other GoGlobal activities. Follow the GoGlobal Facebook page at facebook.com/GoGlobalatSHU for regular updates.
- Join a Hallam Union Society or a sports club. To find out what’s on offer, visit hallamstudentsunion.com/get_involved.

Look after yourself and your mates

We have a well-established network of support services available, should you encounter any emotional or personal issues during your stay.

- For advice on coping with homesickness and culture shock, contact the International Experience Team.
- For advice on coping with difficult academic circumstances, contact the Student Support Adviser in the faculty where your course is based.
- If you experience distress or problems that are seriously affecting your emotional state or mental health, contact Student Wellbeing. Email student.wellbeing@shu.ac.uk.
