

IT account activation and enrolment

We are looking forward to welcoming you to your course!

To start your course, you will now need to do two things:

- Activate your IT account with a password and security questions
- Complete your enrolment in My Student Record

Please now go to the next page, and follow all of the instructions to complete both parts of this process. When you have completed all steps, you will see a confirmation of enrolment message.

If you have any difficulties or need any support, you can contact us at: enrolment@shu.ac.uk

How to activate your IT account

You will need the following information in order to activate your account which can be found on your enrolment invitation email:

- Student username
- Student number
- Date of Birth

Activating your IT account allows you to:

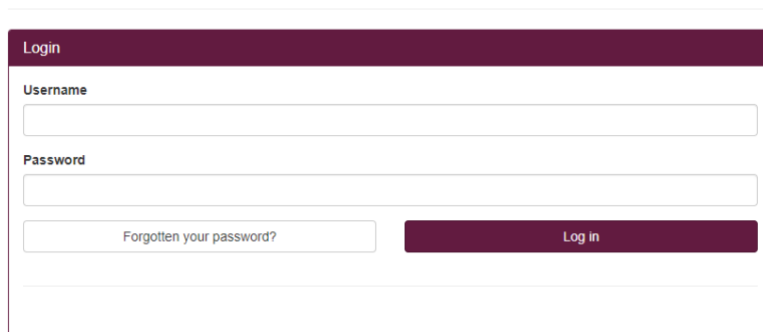

- set a password
- set security questions which are used to prove your identity if you need to reset your password

Step 1 - Navigate to the activation page

First navigate to msr.shu.ac.uk and click the 'Forgotten your password' button.

Welcome to My Student Record

My Student Record (MSR) provides access to the student and curriculum management system here at SHU. It is used by applicants to book open days, by students to enrol online, select modules, view results and book graduation ceremony tickets. As SITS Online, it is also used by staff for record maintenance, assessment and as a gateway to access SITS data.

The screenshot shows a login form with a dark blue header containing the word 'Login'. Below the header, there are two input fields: 'Username' and 'Password'. At the bottom of the form, there are two buttons: a light blue button labeled 'Forgotten your password?' and a dark blue button labeled 'Log in'.

Then, select the 'activated your user account' link.

Students: You must have activated your user account to use this service.

In order to change/reset your password please select a link below:

- [I'm a Student](#)
- [I'm a member of Staff](#)
- [Applicants registering with Disabled Student Support](#)
- [I'm a Partner College user](#)
- [Other users](#)

Step 2 - Start the account activation task

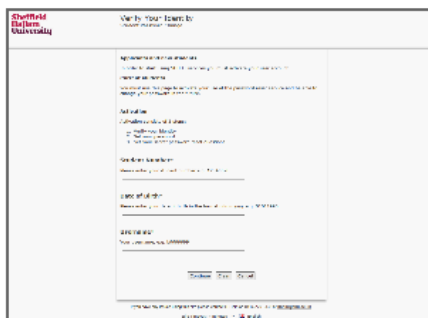

Click 'New Student'

SHU Account Activation Service

Please select the option that best describes you in order to proceed to activate your account:

- [Applicant](#) - I'm an applicant registering with Disabled Student Support
- [New Student](#) - I'm a new student and have been asked to activate my account for the first time
- [Current Student](#) - I'm a current student and have been asked to activate my account

Select the image below for screen shots of the activation process:

If you have any issues using this site please contact IT Help on 0114 225 3333 or ithelp@shu.ac.uk.

Step 3 - Verify your identity

Complete the questions using the information provided in your enrolment invitation email. Please note that the Date of Birth should be entered in DDMMYYYY format with no dashes or hyphens. For example a birthday of 1st January 1990 would be 01011990.

The screenshot shows a web form titled 'Verify Your Identity' with the subtitle 'Student Password Change'. The Sheffield Hallam University logo is in the top left. The form is divided into sections for 'Applicants and new students' and 'Current students'. It explains that activation is required for SHU IT services and lists three steps: 1. Verify your identity, 2. Set your password, and 3. Set your secret password reset questions. Below this, there are three input fields: 'Student Number*' (with a placeholder 'Please enter your student number e.g. 12345678'), 'Date of Birth*' (with a placeholder 'Please enter your date of birth in the format ddmmYYYY e.g. 01011990'), and 'Username*' (with a placeholder 'Your username, e.g. b0000000'). At the bottom of the form are three buttons: 'Continue', 'Clear', and 'Cancel'. A footer contains contact information: 'If you have any issues using this site please contact IT Help on 0114 225 3333 or ithelp@shu.ac.uk' and 'Idle Timeout: 4 minutes' with a language selector set to 'English'.

When finished, you will get the message that your account has been verified.

Click 'Continue'.

When activating your account and completing online enrolment please note:

- Do not close the browser window until you have completed the process
- Inactivity for more than 15 minutes will make the window time out and your details will be lost

If any of the above happens you will need to contact IT Help (ithelp@shu.ac.uk) to reset your activation.

Step 4 - Set your password

Your password needs to meet the following criteria:

- Include a minimum of 8 characters
- Include at least 1 letter
- Include at least 1 capital letter
- Include at least 1 number

SHU passwords are case sensitive, so you need to make sure that you remember exactly how you set your password and ensure that you always type it the same way.

The screenshot shows a web page titled "Set Your Password" with the subtitle "Student Password Change". The Sheffield Hallam University logo is in the top left. The main content area contains the following text and form elements:

Please set a new password below.

Student Password Change

Please set the questions and answers that can be used to verify your identity in case you forget your password.

You should choose questions and answers that:

- You can remember easily
- Are not easy for other people to guess
- You can remember the format used, for example if you enter a date, you must remember if you used slashes or dashes etc.
- Are not likely to change too frequently, e.g. your favourite food or drink

You can find some example questions [here](#).

Please type your secret questions and answers below
