Connecting to SHU GUEST Wi-Fi

Due to the wide range of mobile devices and operating systems in use it is not feasible for SHU to provide detailed instructions for all. This guide covers the broadest section of users.

Please note that SHU has no control over the nature, content or reliability of the information and/or data passing through our network.

1. View available wireless networks. (Settings > Wifi)

Select SHU-GUEST appropriate to your device:

2. SHU-GUEST should now be connected.

Launch your Internet browser. This will take you to the SHU-GUEST login page.
