

Additional Course Related Costs

Biosciences and chemistry

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

Last Updated: 07/04/2022

The table below provides an indication of additional course related costs, please note that actual costs can vary depending on the choices you make during your course.

[Please refer to website for latest information]

This information is for applicants commencing study in 2023/24. For students commencing study in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website:

The University is committed to improving the employability offer to students on all Undergraduate courses. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Biosciences and chemistry	All courses in this subject area	All modes of attendance	£0	£520	Books for own annotation. Stationery, photocopying and printing.	Optional Optional	All	Resources are provided by SHU library services (in print and electronically). Students may purchase their own copies if they wish but this is not mandatory. Students may print off their resources as they wish. However, assessments are typically submitted online. PCs are available for use within the University, however new students are encouraged to have ownership of or guaranteed daily access to a PC of their own.

This is to cover costs for any medical treatment whilst in the UK. Students applying for visas for longer than six months will be asked to pay an Immigration Health Surcharge to cover costs for any medical treatment during their time in the UK as part of the visa application process. If you are coming to the UK as a full-time higher education student and you have a European Health Insurance Card (EHIC) which has been issued in an EU country after 1 January 2021, you may be able to apply for a refund of your Immigration Health Surcharge fee. Applicants from some countries are required to have a tuberculosis (TB) test if they are coming to the UK for more than six months. See the government website for a list of countries this applies to: www.gov.uk/tb-test-visa . There may also be a requirement to take a COVID-19 test prior / post arrival - please check government guidelines prior to travel. Students will be required to pay their visa costs and meet any financial conditions. See the government website for the latest costs and conditions: www.gov.uk/browse/visas-immigration/student-visas .
