

Additional Course Related Costs

Engineering

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

Last Updated: 19/01/2023

[Please refer to website for latest information]

The table below provides an indication of additional course related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants commencing study in 2023/24. For students commencing study in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website:

<https://www.shu.ac.uk/study-here/accommodation>

The University is committed to improving the employability offer to students on all Undergraduate courses. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Engineering	All courses in this subject area	All modes of attendance	£0	£520	Books for own annotation. Stationery, photocopying and printing.	Optional Optional	Per Year	Resources are provided by SHU library services (in print and electronically). Students may purchase their own copies if they wish but this is not mandatory. Students may print off their resources as they wish. However, assessments are typically submitted online. PCs are available for use within the University, however new students are encouraged to have ownership of or guaranteed daily access to a PC of their own.
Engineering	All courses in this subject area	All modes of attendance	dependent on country travelling from	dependent on country travelling from	Health-related costs for International Students (including non-resident EU students) Visa to study in the UK for International Students Other visas (where required)	Mandatory	Prior to studying	Students travelling to the UK for study of six months or less must purchase travel insurance prior to travelling to the UK. This is to cover costs for any medical treatment whilst in the UK. Students applying for visas for longer than six months will be asked to pay an Immigration Health Surcharge to cover costs for any medical treatment during their time in the UK as part of the visa application process. If you are coming to the UK as a full-time higher education student and you have a European Health Insurance Card (EHIC) which has been issued in an EU country after 1 January 2021, you may be able to apply for a refund of your Immigration Health Surcharge fee. Applicants from some countries are required to have a tuberculosis (TB) test if they are coming to the UK for more than six months. See the government website for a list of countries this applies to: www.gov.uk/tb-test-visa . There may also be a requirement to take a COVID-19 test prior / post arrival - please check government guidelines prior to travel. Students will be required to pay their visa costs and meet any financial conditions. See the government website for the latest costs and conditions: www.gov.uk/browse/visas-immigration/student-visas .
Engineering	All courses in this subject area	All modes of attendance	£39	£160 + photography costs	Graduation costs	Optional	Final Year	Students attending a graduation ceremony at SHU will be required to pay for gown hire (£39-£59 in 22/23 but fee dependent on year of graduation), photography (optional - the cost will be dependent on the student's chosen package) and tickets for any guests attending the ceremony (£10 per guest). There is no charge for the student's own ticket.
Engineering	All courses in this subject area	All modes of attendance	£10 £30	£10 £70	Calculator (basic) for exams Graphing calculator for exams and study	Mandatory Optional	Year one Year one	Students are required to purchase their own calculator from the SHU approved range for use in on-campus assessments. You will need at least a basic calculator for your exams, and you are likely to also need a graphing calculator for some exams and to support your studies.
Engineering	All courses with a placement	Placement	dependent on location	dependent on location	Placement costs (travel and/or accommodation)	Mandatory	Placement Year	Students choose their own placement therefore travel and accommodation expenses will depend on their choice of location. In most cases students should be able to manage on the money that they receive if they budget accordingly, though this can depend on local factors such as pay rates for placements and local costs of living and accommodation.
Engineering	Some courses		dependent on location	dependent on location	UK Government Turing Scheme	Optional		Some courses within the University may offer the opportunity to study or work abroad as part of the new UK Government Turing Scheme. If you undertake an international study exchange or work placement, you may be eligible to apply for financial support from the Turing Scheme. The Turing Scheme grant contributes towards the extra costs arising from studying or working abroad and is paid in addition to the standard grants or loans to which students are entitled.
Engineering	BENG HON AEROSPACE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON AEROSPACE ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Engineering	HNC RAILWAY ENGINEERING	FULL TIME	£10	£50	Specialist printing	Mandatory	Per Year	
Engineering	HNC RAILWAY ENGINEERING	PART TIME	£10	£50	Specialist printing	Mandatory	Per Year	
Engineering	BSC HON HIGH SPEED RAIL & INFRA (TU)(NCHSR DNCSTR)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	BSC HON HIGH SPEED RAIL & INFRA(TU)(NCHSR BIRMGHM)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	FDSC HIGH SPEED RAIL AND INFRA (NCATI BIRMGHM)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	FDSC HIGH SPEED RAIL AND INFRA (NCATI DNCSTR)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	CERTHE HIGH SPD RAIL AND INFRA (NCATI BIRMGHM)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	CERTHE HIGH SPEED RAIL AND INFRA (NCATI DNCSTR)	FULL TIME	£0	£0				No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	MENG AEROSPACE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG AUTOMOTIVE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG CHEMICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG ELECTRICAL AND ELECTRONIC ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG MECHANICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
			£10	£100	Specialist printing	Mandatory		Printing costs for final year project.
Engineering	SHEFFIELD HALLAM UNIVERSITY INTERNATIONAL FOUNDATION PROGRAMME: SCIENCE TECHNOLOGY ENGINEERING AND MATHEMATICS	FULL TIME	£0					No additional course costs identified (other than any standard course costs detailed above for all courses within this subject area).
Engineering	BENG HON MATERIALS ENGINEERING (TOP UP)	PART TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
