

## Additional Course Related Costs

Psychology

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay. Last Updated: April 2022  
(Please refer to website for latest information)

The table below provides an indication of additional course related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants commencing study in 2023/24. For students commencing study in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website: <https://www.shu.ac.uk/study-here/accommodation>

The University is committed to improving the employability offer to students on all Undergraduate courses. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

| Subject    | Course Name                      | Mode of Attendance      | Estimated minimum cost (£)           | Estimated maximum cost (£)           | Detail of cost   | Optional or Mandatory?   | Year of study     | Additional notes  |
|------------|----------------------------------|-------------------------|--------------------------------------|--------------------------------------|--|--------------------------|-------------------|---|
| Psychology | All courses in this subject area | All modes of attendance | £0                                   | £520                                 | Books for own annotation.<br><br>Stationery, photocopying and printing.  | Optional<br><br>Optional | All               | Resources are provided by SHU library services (in print and electronically). Students may purchase their own copies if they wish but this is not mandatory.<br><br>Students may print off their resources as they wish. However, assessments are typically submitted online. PCs are available for use within the University, however new students are encouraged to have ownership of or guaranteed daily access to a PC of their own.  |
| Psychology | Some courses                     |                         | dependent on location                | dependent on location                | UK Government Turing Scheme  | Optional                 |                   | Some courses within the University may offer the opportunity to study or work abroad as part of the new UK Government Turing Scheme. If you undertake an international study exchange or work placement, you may be eligible to apply for financial support from the Turing Scheme. The Turing Scheme grant contributes towards the extra costs arising from studying or working abroad and is paid in addition to the standard grants or loans to which students are entitled.   |
