

## Additional Course Related Costs Engineering

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

Last Updated: 30/01/2024

[Please refer to website for latest information]

The table below provides an indication of additional course specific related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants starting your course in 2024/25. For students starting in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website: [www.shu.ac.uk/accommodation](http://www.shu.ac.uk/accommodation)

The University provides a range of work experience opportunities for students. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

If your course is not listed below, there are no additional course specific costs. There will be some generic costs that could relate to all courses which are listed separately.

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Engineering	All courses in this subject area	All modes of attendance	£10	£10	Calculator (basic) for exams	Mandatory	Year one	Students are required to purchase their own calculator from the SHU approved range for use in on-campus assessments. You will need at least a basic calculator for your exams, and you are likely to also need a graphing calculator for some exams and to support your studies.
			£30	£70	Graphing calculator for exams and study	Optional	Year one	
Engineering	BENG HON AEROSPACE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON AEROSPACE ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON AUTOMOTIVE ENGINEERING	FULL TIME and including placement	£0	£150	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON AUTOMOTIVE ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£150	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON CHEMICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON CHEMICAL ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON ELECTRICAL AND ELECTRONIC ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON ELECTRICAL AND ELECTRONIC ENGINEERING	PART TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON ELECTRICAL AND ELECTRONIC ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON ELECTRICAL ENGINEERING (TOP-UP)	FULL TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON ELECTRICAL ENGINEERING (TOP-UP)	PART TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON MANUFACTURING ENGINEERING (TOP-UP)	FULL TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON MANUFACTURING ENGINEERING (TOP UP)	PART TIME						TBC
Engineering	BENG HON MECHANICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BENG HON MECHANICAL ENGINEERING WITH FOUNDATION YEAR	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Engineering	BENG HON MECHANICAL ENGINEERING (TOP-UP)	PART TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
			£10	£100	Specialist printing	Mandatory		Printing costs for final year project.
Engineering	FDENG INTEGRATED ENG (MANUFACTURING) DERBY HA	PART TIME	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG AEROSPACE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG AUTOMOTIVE ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG CHEMICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG ELECTRICAL AND ELECTRONIC ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	MENG MECHANICAL ENGINEERING	FULL TIME and including placement	£0	£100	Project costs depending on student's choice of project.	Optional	Final	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
			£10	£100	Specialist printing	Mandatory		Printing costs for final year project.
