

## Additional Course Related Costs

Mathematics

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.							
The table below provides an indication of additional course related costs, please note that actual costs can vary depending on the choices you make during your course.							
This information is for applicants commencing study in 2024/25. For students commencing study in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.							
Accommodation and living costs are <b>not</b> included in the fees. Further information on accommodation can be found on our website: <a href="https://www.shu.ac.uk/study-here/accommodation">https://www.shu.ac.uk/study-here/accommodation</a>							
The University is committed to improving the employability offer to students on all Undergraduate courses. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

[Please refer to website for latest information]

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Mathematics	All courses in this subject area	All modes of attendance	£0	£550	Books for own annotation.  Stationery, photocopying and printing.	Optional  Optional	All	Resources are provided by SHU library services (in print and electronically). Students may purchase their own copies if they wish but this is not mandatory.  Students may print off their resources as they wish. However, assessments are typically submitted online. PCs are available for use within the University, however new students are encouraged to have ownership of or <u>guaranteed daily access to a PC of their own</u> .
Mathematics	All modes of attendance		dependent on country travelling from	dependent on country travelling from	Health-related costs for International Students (including non-resident EU students)  Visa to study in the UK for International Students  Other visas (where required)	Mandatory	Prior to studying	Students travelling to the UK for study of six months or less must purchase travel insurance prior to travelling to the UK. This is to cover costs for any medical treatment whilst in the UK.  Students applying for visas for longer than six months will be asked to pay an Immigration Health Surcharge to cover costs for any medical treatment during their time in the UK as part of the visa application process. If you are coming to the UK as a full-time higher education student and you have a European Health Insurance Card (EHIC) which has been issued in an EU country after 1 January 2021, you may be able to apply for a refund of your Immigration Health Surcharge fee.  Applicants from some countries are required to have a tuberculosis (TB) test if they are coming to the UK for more than six months. See the government website for a list of countries this applies to: <a href="http://www.gov.uk/tb-test-visa">www.gov.uk/tb-test-visa</a> .  Students will be required to pay their visa costs and meet any financial conditions. See the government website for the latest costs and conditions: <a href="http://www.gov.uk/browse/visas-immigration/student-visas">www.gov.uk/browse/visas-immigration/student-visas</a> . This includes direct and indirect costs associated with applications for third-country visas should a visa be required in order to participate in international learning experiences embedded within a course (for example, an international field trip).
Mathematics	All modes of attendance		£39	£160 + photography costs	Graduation costs	Optional	Final Year	Students attending a graduation ceremony at SHU will be required to pay for gown hire and photography (optional) through an external provider and tickets for any guests attending the ceremony. There is no charge for the student's own ticket. Prices for 2024/5 are to be confirmed but in 2022 gowns were £39-£59 depending on level of award, photography costs will be dependent on the student's chosen package and tickets for guests to attend the ceremony were £10 per guest.
Mathematics	All courses with a placement	Placement	dependent on location	dependent on location	Placement costs (travel and/or accommodation)	Mandatory	Placement Year	Students choose their own placement therefore travel and accommodation expenses will depend on their choice of location. In most cases students should be able to manage on the money that they receive if they budget accordingly, though this can depend on local factors such as pay rates for placements and local costs of living and accommodation.
Mathematics	BSC HON MATHEMATICS	FULL TIME and including Placement	£10	£10	Calculator (basic) for exams	Mandatory	Year one	You will need at least a basic calculator for your exams, and you are likely to also need a graphing calculator for some exams and to support your studies.  For submissions that are not electronic, printing costs are incurred. This applies in particular to the final year project.
			£30	£70	Graphing calculator for exams and study	Optional	Year one	
			£20	£60	Project printing costs	Optional	Final	

Subject	Course Name	Mode of Attendance	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Year of study	Additional notes
Mathematics	BSC HON MATHEMATICS WITH FOUNDATION YEAR	FULL TIME and including Placement	£10	£10	Calculator (basic) for exams	Mandatory	Year two	You will need at least a basic calculator for your exams, and you are likely to also need a graphing calculator for some exams and to support your studies.
			£30	£70	Graphing calculator for exams and study	Optional	Year two	
			£20	£60	Project printing costs	Optional	Final	For submissions that are not electronic, printing costs are incurred. This applies in particular to the final year project.
