

## Additional Course Related Costs

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

The table below provides an indication of additional course specific related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants starting your course in 2025/26. For students starting in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website: [www.shu.ac.uk/accommodation](http://www.shu.ac.uk/accommodation)

The University provides a range of work experience opportunities for students. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

If your course is not listed below, there are no additional course specific costs. There will be some general costs that could relate to all courses which are listed separately.

Subject	Course Name	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Additional notes
Construction and Surveying	BSc Hon Building Surveying	£0	£180	Kit/course sundries	Mandatory	
	BSc Hon Construction Project Management BSc Hon Quantity Surveying	£105	£360	Overseas field trip	Mandatory	
Construction and Surveying	MSc Construction Project Management (Including Work Experience Route) MSc Quantity Surveying (Including Work Experience Route)	£0	£180	Kit/course sundries	Mandatory	There is also an international trip but the cost is included in fees (except lunch, dinner and refreshments)
Construction and Surveying	PhD Natural And Built Environment	£0	£0	N/A	N/A	There are not expected to be any mandatory additional costs for postgraduate research students. As part of the admissions process, the University will establish that there are sufficient and available resources to support students in undertaking their research. The University will provide access to a desk, computer, printer, photocopying, telephone and technical resources such as laboratories, workshops, consumables or specialist equipment as agreed necessary for the project.
Engineering	BEng Hon Aerospace Engineering (Including with Foundation Year) BEng Hon Automotive Engineering (Including with Foundation Year) BEng Hon Chemical Engineering (Including with Foundation Year) BEng Hon Electrical and Electronic Engineering (Including with Foundation Year) BEng Hon Electrical Engineering (Top-Up) BEng Hon Manufacturing Engineering (Top-Up) BEng Hon Mechanical Engineering (Including with Foundation Year)  MEng Aerospace Engineering MEng Automotive Engineering MEng Chemical Engineering MEng Electrical and Electronic Engineering	£0	£150	Project costs	Optional	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Engineering	BEng Hon Mechanical Engineering (Top-Up)	£0	£100	Project costs	Optional	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
	MEng Mechanical Engineering	£10	£100	Specialist printing	Mandatory	Printing costs for final year project.
Engineering	MPhil Business Technology and Engineering MPhil/PhD Ceramics, Glasses and Polymers MPhil/PhD Materials and Fluid Flow Modelling MPhil/PhD Materials Science and Engineering MPhil/PhD Plasma Surface Engineering MPhil/PhD Robotics	£0	£8,740 per year	Bench fee for exceptional project costs	Mandatory	Please be aware that additional project costs may be applied over and above the tuition fee. If this is the case, this will be discussed at the admissions stage of the MPhil/PhD application and agreed within the offer letter.
Engineering	MSc Advanced Engineering and Management (Including Work Experience route) MSc Advanced Mechanical Engineering (Including Work Experience route)  MSc Automation Control and Robotics (Including Work Experience route)  MSc Electrical and Electronic Engineering (Including Work Experience route) MSc Energy and Sustainable Engineering (Including Work Experience route)  MSc Logistic and Supply Chain Management (Including Work Experience route)	£0	£200	Project costs	Optional	Depending on student choice of project, may incur costs on project materials, but many materials available from the department.
Physics	BSc Hon Physics (Including with Foundation Year)	£10	£30	Calculator for exams	Optional	You will need a basic scientific calculator for your exams and you may wish to purchase a graphing calculator to support your studies, however this is not necessary.
Physics	MPhys Physics	£10	£30	Calculator for exams	Optional	You will need a basic scientific calculator for your exams and you may wish to purchase a graphing calculator to support your studies, however this is not necessary.
