

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

The table below provides an indication of additional course specific related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants starting your course in 2027/28. For students starting in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website: www.shu.ac.uk/accommodation

The University provides a range of work experience opportunities for students. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

If your course is not listed below, there are no additional course specific costs. There will be some general costs that could relate to all courses which are listed separately.

Subject	Course Name	Estimated minimum cost (£)	Estimated maximum cost (£)	Detail of cost	Optional or Mandatory?	Additional notes
