WELCOME TO HALLAM

Our open days are your opportunity to talk to staff and students, see our campuses, and find all the information you need. Enjoy exploring, we hope you get the most out of your day.

Access for all

If you need support during your visit, our disabled student support team will be available to answer any questions in Hallam View, Level 6 at City Campus.

Photography and video

Photos and video may be taken at this event to support our marketing activity. They may appear on our website, social media accounts, email communications, printed marketing materials and third party websites.

If you don't want to be photographed or filmed, just let the photographer know or speak to a member of staff.

Health and safety

A continuous fire alarm is the signal to evacuate the building. Staff and student ambassadors will guide you to your nearest exit and assembly point.

An intermittent fire alarm means there could be a fire in an adjacent building. You will be safe where you are and don't need to evacuate unless the alarm changes to a continuous one.

If you need first aid, speak to a member of staff or student ambassador.

Wi-Fi

Check your wifi is on. Select "wifi-guest" from the available network list.

Follow the on screen instructions.

(The University does not exercise control over the nature, content or reliability of the information and/or data passing through our network.)
