MAKE THE MOST OF YOUR VISIT

Open days can be crucial in helping you decide where – and what – you want to study. Here's how to get the most out of it.

Check this guide

This guide includes everything you need to know about today, what time talks are taking place and where you need to be. If you have any questions just ask a member of staff or a student ambassador.

Plan your visit

There's lots to do at an open day so it's a good idea to plan your time. Check out page 5 (right) for a list of things you might want to see and do during your visit.

Ask for directions

You can find a map of City Campus on pages 22–23 to help you find your way around. Or just ask us if you aren't sure, there'll be plenty of staff and students to help point you in the right direction.

Come and chat to us

We're here to answer any questions you have about life at Sheffield Hallam, so ask us anything.

Access for all

If you need support during your visit, please let us know. Our student support team will be available to answer any questions on level 5 in the Owen Building at City Campus.

Photography and video

Photos and video may be taken at this event to support our marketing activity. They may appear on our website, social media accounts, email communications, printed marketing materials and third party websites. If you don't want to be photographed or filmed, just let the photographer know or speak to a member of staff.

Health and safety

A fire alarm is the signal to evacuate the building. Staff and student ambassadors will guide you to your nearest exit and assembly point. If you need first aid, speak to a member of staff or student ambassador.

Wi-Fi

Network: Wifi-Guest
Check your wifi is on. Select "wifi-guest" from the available network list. Follow the on screen instructions. The University does not exercise control over the nature, content or reliability of the information and/or data passing through our network.

ON THE DAY

There's so much to do at an open day, it can be hard to know where to start. Try to do these things and you'll really get a feel for Sheffield Hallam and if we're right for you.

Check in

When you get here, check in. You can use the QR code we sent you, but don't worry if you don't have it, we can still check you in. There are registration points across campus, so just pick the one that suits you:

- Owen Building main entrance
- Head Post Office Building
- Atrium Level 2

GET INTO TEACHING AT SHEFFIELD HALLAM

SHEFFIELD HALLAM UNIVERSITY MAKES GREAT TEACHERS

We've been doing it since 1905, and we're now one of the UK's biggest providers of early years, primary, secondary and post-16 teacher training at undergraduate and postgraduate levels.

We train over 850 new teachers a year, blending the latest research and innovative teaching practices with superb placements. Whether you're just starting out or want to develop your career, you can choose from flexible options to help you study in the way that suits you best.

3 REASONS TO CHOOSE HALLAM

Our teacher-training placements

We offer one of the largest and most diverse range of placements in the region. We've built up a network of over 600 partner schools, colleges and other educational establishments, and we work together to our mutual advantage.

Support from our tutors

Our experienced tutors support you throughout the course and while you're on your placement. All our tutors have experience in schools, colleges or early years settings, and they stay up to date with current teaching methods and legislative changes.

Excellent facilities

You will study at our centre of education that is recognised for excellence and innovation in teaching and learning. Our academics, researchers and partners in schools work together to ensure you become a committed and professional graduate, with the opportunity to return to us throughout your career to further your professional development.

REASONS TO BECOME A POSTGRADUATE STUDENT

Postgraduate study is a great opportunity to study more of what you love, switch your career focus or specialise in a new subject area. With a postgraduate qualification, you can make your CV stand out and build your experience, skills and contacts for your future career. Here are just a few reasons why you should become a postgraduate student at Sheffield Hallam.

CHOOSE A NEW CAREER DIRECTION

'My academic career was made possible because of the experience and support that I received at Sheffield Hallam.'

Dr Francis Awolowo, MSc student in Forensic Accounting and course leader and lecturer at Sheffield Hallam University.

BUILD YOUR EXPERIENCE

'Sheffield Hallam's art and design department has great equipment and machinery and you have the chance to explore what you're interested in.'

Divya Potluri, MA Design Jewellery and Metalwork

INCREASE YOUR CONFIDENCE

'I find myself using the skills I learnt on my master's continuously, whether that be simply planning delivery of sessions to my netball players or tracking the workload of my lacrosse players.'

Lizzy Butler-Clack, MSc Strength and Conditioning Coaching and junior intern in the Team Hallam Strength and Conditioning suite.

GREAT TEACHING, GREAT OUTCOMES

'My master's helped prepare me for the demands of the industry I am in today... we were not just learning and studying for an exam, we were learning to better our professional practice.'

Eleanor Dobson, LLM International Sports Law in Practice graduate and Club Secretary and Legal Counsel at Barnsley Football Club.

A master's loan of up to £12,858 is available and a doctoral loan of up to £30,301 is available for most subject areas when starting a course in the 2025/26 academic year. We also have a range of scholarships and discounts available. For the latest information and eligibility criteria, visit shu.ac.uk/funding

CITY CAMPUS
