CONTENTS

MAKE THE MOST OF YOUR VISIT

Open days can be crucial in helping you decide where and what you want to study. Here's how to get the most out of it.

Check this guide

This guide includes everything you need to know about the day, what time talks are taking place and where you need to be. If you have any questions just ask a member of staff or a student ambassador.

Plan your visit

There's lots to do at an open day so it's a good idea to plan your time. Check out page 5 (right) for a list of things you might want to see and do during your visit.

Ask for directions

You can find a map of City Campus on pages 20–21 to help you find your way around. Or just ask us if you aren't sure, there'll be plenty of staff and students to help point you in the right direction.

Come and chat to us

We're here to answer any questions you have about life at Sheffield Hallam, so ask us anything.

Access for all

If you need support during your visit, please let us know. Our student support team will be available to answer any questions on level 6 in the Owen Building at City Campus.

We aim to create a safe and inclusive space for all. If you would prefer a less busy schedule at the open day, or need a quiet space, please check out our arrival guidance via the QR code on the back page.

Look for the "Quieter open day" link at the top of the web page.

Photography and video

Photos and video may be taken at this event to support our marketing activity. They may appear on our website, social media accounts, email communications, printed marketing materials and third party websites.

If you don't want to be photographed or filmed, just let the photographer know or speak to a member of staff.

Health and safety

A fire alarm is the signal to evacuate the building.

Staff and student ambassadors will guide you to your nearest exit and assembly point.

If you need first aid, speak to a member of staff or student ambassador.

Wi-Fi

Network: Wifi-Guest

Check your wifi is on. Select "wifi-guest" from the available network list. Follow the on screen instructions.

The University does not exercise control over the nature, content or reliability of the information and/or data passing through our network.

ON THE DAY

There's so much to do at an open day, it can be hard to know where to start. Try to do these things and you'll really get a feel for Sheffield Hallam and if we're right for you.

<h2>Check in</h2>	<p>When you get here, check in. You can use the QR code we sent you, but don't worry if you don't have it, we can still check you in. There are registration points across campus, so just pick the one that suits you:</p> <ul style="list-style-type: none"> • Owen Building main entrance • Atrium Level 2 	<p>10 MINS</p>
<h2>Attend the welcome talk</h2>	<p>A member of the University's leadership team welcomes you, alongside current students who will share their insights into studying a postgraduate course here.</p> <p>Head to one of our lecture theatres at 4.15pm:</p> <ul style="list-style-type: none"> • General Welcome Talk in Pennine Lecture Theatre, Atrium Level 2 • Get into Teaching Welcome Talk in Peak Lecture Theatre, Level 5, Owen Building 	<p>30 MINS</p>
<h2>Discover postgraduate study</h2>	<p>Our open day is the perfect place to find out more about studying a master's or research degree. Meet lecturers from your chosen study area and take a tour of the spaces and facilities where you will study. See the schedule starting on page 11.</p>	<p>1-2 HOURS</p>
<h2>Take a campus tour</h2>	<p>Explore some of the facilities that support your learning on a student-led tour of our Adsetts Library and the City Campus. There's more information on page 9. Campus tours leave from Owen Building Level 5. The last tour of the City Campus will take place at 6.30pm.</p>	<p>30 MINS</p>
<h2>Find out about support</h2>	<p>Got any questions about what support and help you'll have as a student here? Talk to our staff or attend a talk on your chosen topic. See page 8 for the schedule.</p>	<p>30 MINS</p>

GET INTO TEACHING AT SHEFFIELD HALLAM

SHEFFIELD HALLAM UNIVERSITY MAKES GREAT TEACHERS

We've been doing it since 1905, and we're one of the UK's biggest providers of early years, primary, secondary and post-16 teacher training at undergraduate and postgraduate levels.

We train over 850 new teachers a year, blending the latest research and innovative teaching practices with superb placements. Rated outstanding for teacher training in all areas (Ofsted, March 2024) you'll know you're getting the highest quality of teaching, whether you're just starting out or want to develop your career..

3 REASONS TO CHOOSE HALLAM

Our teacher-training placements

We offer one of the largest and most diverse ranges of placements in the region. Our network consists of over 600 partner schools, colleges and other educational establishments for you to choose from.

Support from our tutors

Our experienced tutors support you throughout the course and while you're on your placement. All our tutors have experience in schools, colleges or early years settings, and they stay up to date with current teaching methods and legislative changes.

Excellent facilities

You will study at our centre of education that is recognised for excellence and innovation in teaching and learning. Our academics, researchers and partners in schools work together to ensure you become a committed and professional graduate, with the opportunity to return to us throughout your career to further your professional development.

REASONS TO BECOME A POSTGRADUATE STUDENT

Postgraduate study is a great opportunity to study more of what you love, switch your career focus or specialise in a new subject area. With a postgraduate qualification, you can make your CV stand out and build your experience, skills and contacts for your future career. Here are just a few reasons why you should become a postgraduate student at Sheffield Hallam.

CHOOSE A NEW CAREER DIRECTION

‘My academic career was made possible because of the experience and support that I received at Sheffield Hallam.’

Dr Francis Awolowo, MSc student in Forensic Accounting and course leader and lecturer at Sheffield Hallam University.

BUILD YOUR EXPERIENCE

'I was able to apply what I'd learned to real situations promoting services, communicating recruitment, enhancing core services, marketing, and internal and external engagement.'

Oluwasuen Adepegba, Global MBA student, and placement student at Mind in Doncaster.

INCREASE YOUR CONFIDENCE

'The course offered various workshops and opportunities to work on live public health issues. These experiences helped me connect theory with practice and reflect on my clinical background, which boosted my research and critical thinking skills.'

Daisy Forman, MSc in Public Health and PhD within the University's Sport and Physical Activity Research Centre.

GREAT TEACHING, GREAT OUTCOMES

'The course developed my analytical thinking and data interpretation skills, which I now use regularly to generate insights on our portfolio and communicate with strategic partners.'

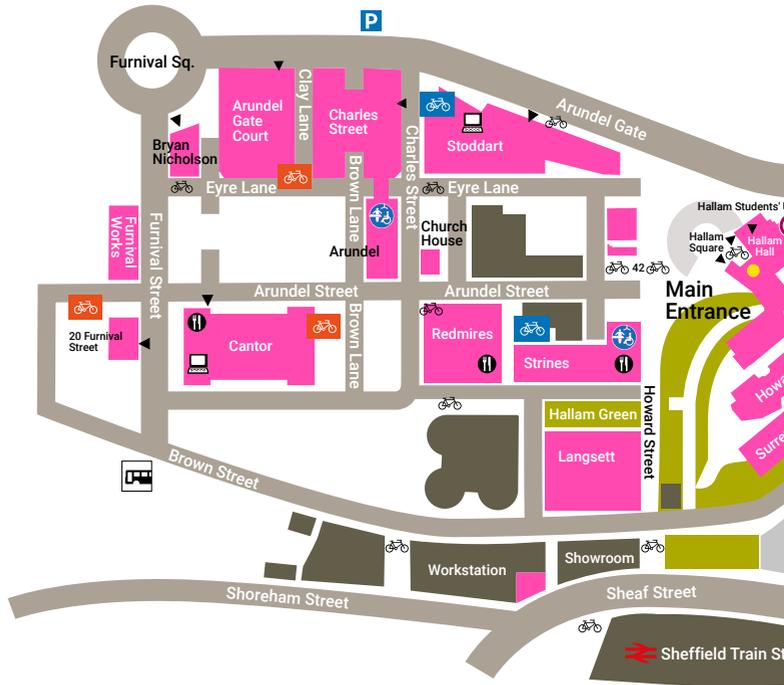

Timileyin Oyebade, MSc Public Health graduate and Climate Change Analyst at the World Bank Group in Washington D.C.Club.

A master's loan of up to £12,858 is available and a doctoral loan of up to £30,301 for most subject areas when starting a course in the 2026/27 academic year. We also have a range of scholarships and discounts available. For the latest information and eligibility criteria, visit shu.ac.uk/funding

CITY CAMPUS

City Campus is in the middle of Sheffield city centre, just minutes from the bus and train stations.

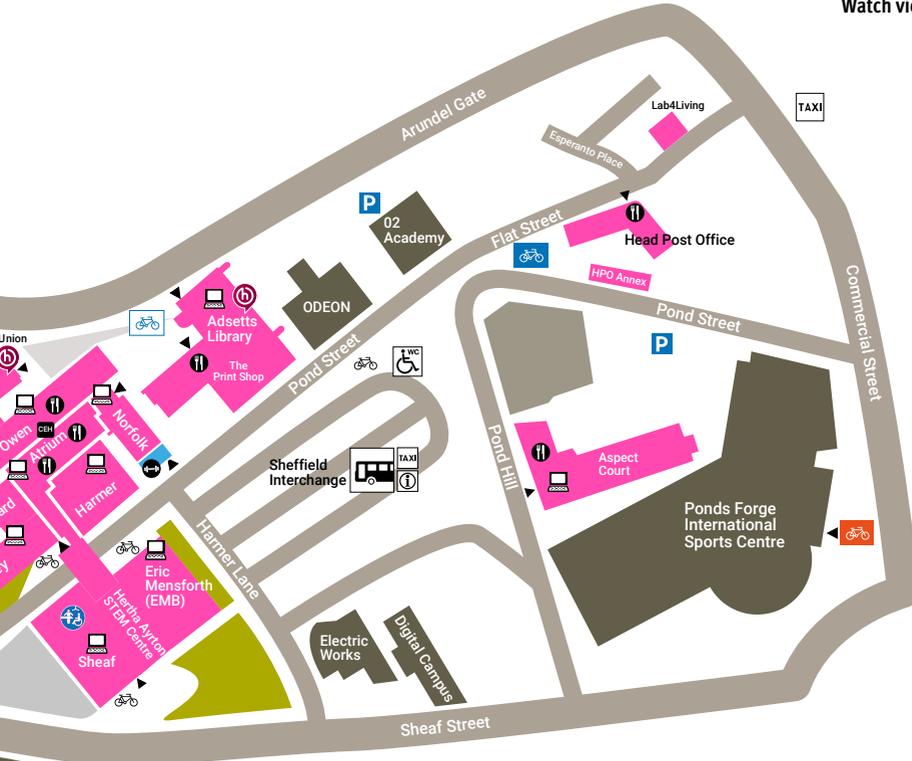

The buildings you study in are surrounded by shops, cafes, sports centres and cinemas – everything in the city centre is right on your doorstep.
