

Hallam Bible Discussion

Wednesdays 2.30pm - 4.00pm

Multifaith Chaplaincy Social Space, City Campus

Are you interested in learning what Christians believe?

It is different than what you usually see on TV or movies!

Come join us to learn and discuss as we talk about topics such as “is there a God?” “If God is good, then why do bad things happen?” “Who is Jesus?” Along with other topics this term!

You do not need to be a Christian or religious to join!

No need to book, but if you want to, go to:
