

Health and social care open day programme 8 April 2017 9.30 - 3.30pm

This open day is your chance to find out more about our health and social care courses, have your questions answered by our students and teaching staff, try out your clinical skills, and tour our facilities, campus and accommodation.

The schedules below will help you plan how you want to spend your day. They include what activities are taking place, at what time and where you need to be. We have some activities which are running all day and other interactive try-it-out sessions. There is also a range of opportunities to find out more about our courses. You can do this at one of the course talks taking place today or you can chat one-to-one with the teaching staff at the exhibition stands.
