

LinkedIn Learning at Sheffield Hallam University

This guide will help you to set up your Sheffield Hallam University LinkedIn Learning account, giving you access to a range of courses and videos supporting business, creative and technical skills.

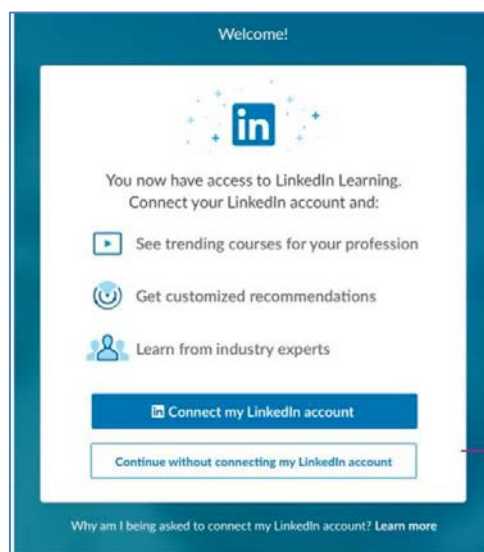

Logging into LinkedIn Learning

1. To log in, click the following link [LinkedIn Learning](#)
2. Enter your **University Username and Password**.

The image shows the Sheffield Hallam University login page. At the top is the university's logo in red. Below it, a grey box contains the text: "Please enter your username and password to access the SHU systems relevant to your area of work or study. Your username and password should be the same as those you currently use to log into SHU applications." Below this text is a blue link that says "Forgotten your password?". Underneath are two input fields: "Username" and "Password". Below the "Password" field is a "Logon" button. At the bottom of the page, it says "Tweets by @ITHelpSHU" with a small Twitter icon.

3. You will be asked how you would like to connect to LinkedIn Learning.
 - If you already have a LinkedIn account you can connect it to LinkedIn Learning - Select **Connect my LinkedIn account** (see more about [LinkedIn](#))
 - **OR** select **Continue without connecting my LinkedIn account**.
- *See below for more guidance on each choice.

The image shows the LinkedIn Learning connection screen. At the top, it says "Welcome!". Below that is the LinkedIn logo. The text reads: "You now have access to LinkedIn Learning. Connect your LinkedIn account and:". There are three icons with text: a play button icon for "See trending courses for your profession", a smiley face icon for "Get customized recommendations", and a person icon for "Learn from industry experts". Below these are two buttons: a blue button that says "Connect my LinkedIn account" and a white button with a blue border that says "Continue without connecting my LinkedIn account". At the bottom, it says "Why am I being asked to connect my LinkedIn account? Learn more" with a link.

Connecting a personal LinkedIn account:

1. Select **Connect my LinkedIn account**

2. Sign in with your **personal LinkedIn username and password**.
*[optional] If you do not already have a LinkedIn account, you can create one here by clicking **Not a member? Join now**
3. You will also be asked to confirm your identity for LinkedIn by clicking **Accept and continue as your name**
4. Now you can choose which skills you want to learn more about. You can choose to add more skills later. Once you are happy with the skills you have chosen click **Continue**
5. You're in! You can now search for the skills you want to learn.

Continue without connecting my LinkedIn account

1. Select **Continue without connecting my LinkedIn account**
2. Now you can choose which skills you want to learn more about. You can choose to add more skills later. Once you are happy with the skills you have chosen click **Continue**
3. You're in! You can now search for the skills you want to learn.

* If you previously had a **Lynda.com** account your learning history, including certificates and course progress, will be transferred over.
