We would like to thank all of our contributors for their involvement in Tegel: Speculations and Provocations. We would also like to thank the Art and Design Research Committee at Sheffield Hallam University, the Verein zur Förderung von Kunst und Kultur am Rosa-Luxemburg-Platz e.V. and Tegel Projekt GmbH for supporting this project. John X. Berger has worked beyond the call of duty patiently copy editing, Anja Lutz has been inspiring and sensitive to the diverse content in her design. Special thanks to Sharon Kivland for her advice and support throughout and to Stephan Hächs for compiling the showreel and for the post-production of the DVD.

We would also like to thank Meinhard von Gerkan for the generous permission to include his images of Tegel Airport, past and present. The archive photographs that run throughout the book are courtesy of Metereologisches Observatorium Lindenberg / Deutscher Wetterdienst and Wettermuseum Lindenberg.

We are grateful to Michelle Atherton, Jamie Crewe, Stella Flatten, Hondartza Fraga, Margarita Gluzberg, Rachel Garfield, Kirsten Honet, Gill Hobson, Janet Hodgson, Sharon Kivland, Jon Klein, Liane Lang, Ashley Metz, Robert Partridge, Boris Riedel, Miguel Santos and Joachim Stein for responding so generously to our request to revise works for inclusion here.
